

## Paul Beck

As a brass playing middle schooler in Northfield Schools from 1989-2013 you most likely had private lessons from teacher and trombonist, Paul Beck. “Mr. Beck” had a stellar career as a public-school teacher in Northfield and continues to participate as a trombonist in local bands and ensembles, did a stint as conductor of the Northfield Community Band, and sings in the St. John’s Lutheran Church Choir. As a graduate of St Olaf College, his connection to Northfield goes back many years (his mom was an Ole too). Paul taught instrumental music in two other rural Minnesota towns before landing in Northfield. Thank you for your volunteer service to the Vintage Band Festival! Don’t miss the 2024 Festival, July 26=27, in downtown Northfield!
